³ The FY 2014 Budget proposes to move the WCF cancellation language to Title II; in the Commerce, Justice, Science, and Related Appropriations Act, 2013, the WCF rescission is found in Section 526.

(A) the head of the lead Federal administering agency, on behalf of all of the participating Federal agencies (subject to the head of the lead Federal administering agency having received from the heads of each of the other participating agencies their written concurrence for entering into the Agreement), and

(B) the respective representatives of all of the state, local or tribal governments that are participating in the Agreement; and

(2) specifies, at a minimum, the following information:

(A) the length of the Agreement (which shall not extend beyond September 30, 2018);

(B) the Federal programs and federally-funded services that are involved in the Pilot;

(i) the consequences that will result from such deficiencies with respect to the Federal discretionary funds that are being used in the Pilot, and

(ii) the corrective actions that will be taken in order to increase the likelihood that the Pilot, upon completion, will have achieved such specified outcomes.

(d) Agency Head Determinations. A Federal agency may participate in a Performance Partnership Pilot (including by providing Federal discretionary funds that have been appropriated to such agency) only upon the written determination by the head of such agency that the agency's participation in such Pilot--

(1) will not result in denying or restricting the eligibility of any individual for any of the services that (in whole or in part) are funded by the agency's programs and Federal discretionary funds that are involved in the Pilot, and

(2) based on the best available information, will not otherwise adversely affect vulnerable populations that are the recipients of such services. In making this determination, the head of the agency may take into consideration the other Federal discretionary funds that will be used in the Pilot as well as any non-Federal funds (including from private sources as well as governmental sources) that will be used in the Pilot.

In connection with a Federal agency's participation in a Performance Partnership Pilot, and subject to the other provisions of this section (including subsection (e)), the head of the Federal agency to which the Federal discretionary funds were appropriated may waive (in whole or in part) the application, solely to such discretionary funds that are being used in the Pilot, of any statutory, regulatory, or administrative requirement that such agency head--</i></p> <p><i>(1) is otherwise authorized to waive (in accordance with the terms and conditions of such other authority), and</i></p> <p><i>(2) is not otherwise authorized to waive, provided that in such case the agency head, prior to granting the waiver, shall--</i></p> <p><i>(A) not waive any requirement related to nondiscrimination, wage and labor standards, or allocation of funds to State and substate levels;</i></p> <p><i>(B) issue a written determination with respect to such discretionary funds that the granting of such waiver for purposes of the Pilot--</i></p> <p><i>(i) is consistent with both--</i></p> <p><i>(I) the statutory purposes of the Federal program for which such discretionary funds were appropriated, and</i></p> <p><i>(II) the other provisions of this section, including the written determination by the agency head issued under subsection (e);</i></p> <p><i>(ii) is necessary to achieve the outcomes of the Pilot as specified in the Partnership Performance Agreement, and is no broader in scope than is necessary to achieve such outcomes; and</i>(iii) will result in either--</p> <p><i>(I) realizing efficiencies by simplifying reporting burdens or reducing administrative barriers with respect to such discretionary funds, or</i></p> <p><i>(II) increasing the ability of individuals to obtain access to services that are provided by such discretionary funds; and</i></p> <p><i>(C) provide at least 60 days advance written notice to the Committees on Appropriations and other committees of jurisdiction in the House of Representatives and the Senate.</i></p>

507	Requires the Department of Justice to provide a quarterly accounting of cumulative unobligated balances. This information is provided at the request of the Committee, and does not need to be in statute.
510	This provision is moved to Title II, Section 216, in the FY 2014 budget.
